ATHLETE'S GUIDE

Last Update: May 5th, 2026

All information provided can be changed until the Athlete's Briefing

WELCOME

It is with great pleasure that we welcome each of you to another chapter of the Nubank Ultravioleta IRONMAN Brazil—a story of passion, perseverance, and excellence, built over more than two decades in the city of Florianópolis.

Once again, this successful journey has been recognized by the athletes themselves as a global benchmark. According to the IRONMAN Athletes' Choice Awards 2025—a worldwide survey conducted with participants from all events in the series—we were voted the third most recommended race in the world at this distance. This recognition reinforces our ongoing commitment to quality, organization, and the experience of every athlete. Here, every detail is carefully designed to ensure you have an unforgettable day.

We wish you all an excellent race. May every kilometer be lived with intensity, and may the finish line represent the celebration of an extraordinary journey.

IMPORTANT MEDICAL AND HEALTH INFORMATION

Your safety is our primary concern. The medical team will be staffing the medical facilities at IRONMAN Village. Medical resources will also be available while you are out on course.

If you are not feeling well on race morning, we strongly advise you not to start the event. If you decide to not start the event, you must inform a race official so we can officially withdraw you from the event: brazil@ironman.com.

If you start to feel unwell at any point during race day, we urge you to seek help rather than continue.

DO NOT BE AFRAID TO ASK FOR HELP

If at any time during the race you experience chest pain or discomfort, shortness of breath, lightheadedness (dizziness), numbness around the mouth or in hands, difficulty concentrating, or stop sweating please stop immediately and seek medical attention.

You will not receive a penalty or be disqualified for receiving a medical evaluation or for having someone help you in getting medical assistance. A medical evaluation does not constitute outside assistance.

During the swim: raise and wave your hand, which will alert the water safety team that you need help. If able to, you can also verbalize you are in need of help by yelling “help.” You can also grab onto a kayak, paddle board or nearby boat. You will not be disqualified for grabbing onto any of these safety items during the race. You must not make forward progress in the water while grabbing onto a kayak, paddle board or nearby boat. Making forward progress will result in a Disqualification (DQ).

During the bike: If you are at an aid station, let someone know you are in need of medical help. If you are not at or near an aid station – STOP – let someone know you need medical help. Anyone can help - another athlete, a volunteer, a staff vehicle, event support vehicle or event moto out on course; even a spectator. Have them alert the nearest aid station or staff member that you need medical assistance. *Make sure you provide your bib number to initiate your care.*

During the run: same as the bike. If you are at an aid station, let someone know you are in need of medical help. If you are not at or near an aid station – STOP – let someone know you need medical help. Anyone can help - another athlete, a volunteer, a staff vehicle, event support vehicle or event moto out on course; even a spectator. Have them alert the nearest aid station or staff member that you need medical assistance. *Make sure you provide your bib number to initiate your care.*

Helping another athlete: if a fellow athlete needs help, please use the same steps listed above to get the athlete medical assistance. *You will not be disqualified or receive a penalty for assisting a fellow athlete in medical need.* On the bike and run course, make sure to provide the bib number of the athlete in need of help.

After you have finished the race, please do not leave the post-race area until you are able to drink without vomiting, stand without dizziness and feel okay. If you are not feeling well, please come to the event medical tent to be evaluated by the medical team before leaving the recovery area.

PLEASE, VISIT [“ATHLETE SMART”](#) WEBPAGE FOR MORE INFORMATION.

Prohibited Running Shoes

In IRONMAN races, shoes are prohibited if their sole thickness (stack height) exceeds 40 mm or if they contain more than one rigid, embedded plate. For more specifications, visit the official IRONMAN website.

[Running Shoes FAQ's | IRONMAN](#)

Attention, friends and Family

Friends, family members, pets, and/or other spectators are not permitted to cross the finish line with participating athletes. Athletes who choose not to respect the policy will be disqualified.

Cut Off Time

IRONMAN officials reserve the right to pull athletes off the course who exceed any established course time cut offs.

ANYTHING IS POSSIBLE™

RACE REFEREE MESSAGE

The event will be conducted under the IRONMAN 2026 Competition Rules, and this is strictly a NON-Drafting Event.

Triathlon is an individual race, and it is your responsibility to fully understand the rules and avoid violations. It is the athlete's sole responsibility to know and follow the course.

Water Bottles and Hydration Systems

- Additional equipment such as bottles/hydration or any other insert in front of your race suit results in Disqualification
- Front Mounted Water bottles and hydration systems are limited to a total combined maximum volume capacity of two (2) liters (2000ml).
- Rear Mounted Water Bottles and Hydration systems are limited in size, capacity, dimensions and location
- Cannot contain more than two (2) water bottles; and
- Must not exceed one (1) liter capacity per bottle
- The above excludes water bottles and hydration systems location inside the frame triangle of a bike or inside the bike frame.
- Failure to comply with the above will result in Disqualification.

Key areas of focus on the cycle leg

To help avoid a visit to the Penalty Box or a possible Disqualification please observe the following:

- Ride on the right side of the bike lane, except when passing another competitor.
- Maintain at least 12 meters between your front wheel and the front wheel of the cyclist in front of you, except when you are passing them (6 bike lengths of clear space)
- Pass on the left side of the cyclist in front (never on the right)
- Complete your pass of an age group athlete within 25-seconds
- If passed, immediately commence to drop back at least 12 meters before you attempt to re-pass.

The most common Blue card (3-minutes time penalty) rule violations are:

- DRAFTING – Following a leading cyclist closer than 12 meters and failing to pass an age group athlete within 25 seconds.
- PASSING MORE THAN ONE ATHLETE - the athlete who is making the pass can only 'drop in' between other athletes if the distance between the athletes is more than the legal draft zone.
- ILLEGAL PASS – Passing on the right
- LITTERING – Intentionally discarding items, such as tires, bottles, gel wrappers etc., on any part of the course except at a designated Aid Station.

The most common Yellow card (60-seconds time penalty) rule violations are:

- BLOCKING – Impeding the forward progress of a competitor behind you
- OVERTAKING VIOLATION – Immediately repassing a competitor without initially dropping back out of their draft zone.
- HELMET – failing to have your chin strap securely fastened when moving with your bike. This penalty will be served transition.

ANYTHING IS POSSIBLE™

Other infringements which may result in disqualification

- Offensive and unsportsmanlike behavior
- Indecent exposure/public nudity
- Use of a device that will distract the athlete from paying full attention to their surroundings. For the avoidance of doubt mobile phones may be carried by an athlete during the race (for example, for the use of tracking apps such as Strava). However, during the race, the communication functions (voice calls, text messaging, email or any other form of electronic communication or messaging) of these devices may not be used. Nor may any device be used to play music, with or without the use of headphones or headsets, and smart glasses.
- Any athlete who accumulates 3 blue cards will be Disqualified Disqualification Process
- A technical official will advise you of your disqualification by blowing a whistle, calling your number, advising you of the nature of the infringement and showing you a red card
- Having been disqualified you have the option to continue in the race and protest the disqualification to the Head Referee after you finish the race. Note that you must signal your intention to protest within 15 minutes of finishing and complete the protest paperwork within 30 minutes of finishing On the run
- Please ensure you receive no outside assistance. Friends, family members, coaches, or supporters of any type may not bike, drive, or run alongside an athlete, may not pass food or other items to the athlete and should be warned to stay completely clear of all athletes to avoid the disqualification of that athlete.
- Ensure you wear your race number to the front

ANYTHING IS POSSIBLE™

OVERALL RULES

- Race officials shall have authority to disqualify any athlete.
- Medical personnel shall have **ULTIMATE** and **FINAL** authority to remove an athlete from the race if the athlete is judged to be physically incapable of continuing the race without risk of serious injury or death. Medical transport of any athlete will result in disqualification.
- Fraud (e.g., illegal transfer of a racing bib or timing chip to another athlete), theft, abusive treatment of volunteers, staff or others and acts of poor sportsmanship are grounds for immediate disqualification and may result in the athlete being suspended from competing in any IRONMAN or IRONMAN 70.3 event in the future, depending on the severity of the rule violation.
- Assistance provided by event personnel or Race Officials is allowed but is limited to drinks, nutrition, mechanical and medical assistance. Athletes competing in the same race may assist each other with incidental items such as nutrition and drinks after a water station and pumps, tubular tires, inner tubes and punctures repair kits. Athletes may not provide any item of equipment to an athlete competing in the same race which results in the donor athlete being unable to continue their own race. This includes but is not restricted to shoes, complete bicycle, frame, wheels and helmet. An athlete cannot physically assist the forward progress of another athlete on any part of the course. The penalty for this will be disqualification of both athletes.

If an athlete decides to withdraw from the race during an event, it is the responsibility of the athlete to report to the timing tent located at the finish line and turn in their bib number and timing chip immediately. It is essential that race officials know where athletes are on the course at all times. Failure to comply after withdrawing from the race may result in athlete being prevented from competing in any IRONMAN event in the future.

IRONMAN reserves the right to make rule changes at any time provided all athletes are notified in writing and/or at the pre-race athlete briefings. Notification of any change will be in accordance with IRONMAN Competition Rules.

We would like to inform you that there is an official communication channel available for family members in case of emergency. Prior to race day, we recommend establishing a communication plan with your family and friends and sharing the Race Day Emergency Contact information below with anyone who may need to reach you. Even if your family and friends are onsite, it is important to have a plan in place to reconnect in case of an emergency.

ANYTHING IS POSSIBLE™

BIKE COURSE - POSITION RULES

- Absolutely NO DRAFTING of another bike or any other vehicle is allowed.
- The length of the draft zone for athletes (excluding professional athletes) is 12 meters, measured from the leading edge of the front wheel and extending towards the back of the bike (6 bike lengths of clear space between bikes). The length of the draft zone for professional athletes is 20 meters, measured from the leading edge of the front wheel and extending towards the back of the bike (11 bike lengths of clear space between bikes). Athletes must remain outside of their respective draft zone except when passing. Failure to do so will result in a drafting violation; (3:00 Minutes Time Penalty) Athletes must keep this space between bikes clear except when passing. Failure to do so will result in a drafting violation.
- Any athlete who enters the draft zone of another athlete must continuously progress through the draft zone as follows:
 - Athletes (excluding professional athletes) will be allowed a maximum of 25 seconds to pass through the draft zone of another athlete. However, any athlete who rides into the professional field and is passing two or more professional athletes will be allowed a maximum of 45 seconds to complete the pass of each professional athlete. (3:00 Minute Time Penalty)
 - Professional athletes will be allowed a maximum of 45 seconds to pass through the draft zone of another athlete; (3:00 Minutes Time Penalty)
 - Athletes entering the draft zone of a professional athlete (including professional athletes and non-professional athletes) must initiate and execute the pass to the side of the athlete being overtaken and may not approach directly from behind (i.e., no slipstreaming). Failure to do so will result in a drafting violation. (3:00 Minutes Time Penalty)
 - Athletes who ride into the professional athlete field may not insert themselves between two or more legally spaced professional athletes; (3:00 Minutes Time Penalty)
- The overtaking athlete may not back out of a draft zone after entering into it. Once an overtaking athlete enters the draft zone of another athlete, a pass must be completed; (3:00 Minutes Time Penalty)
- An overtaken athlete must immediately drop out of the draft zone of the passing athlete and must continuously make rearward progress out of the draft zone of the passing athlete. Re-passing by the overtaken athlete prior to dropping out of the draft zone will result in an overtaken violation (60 Seconds Time Penalty). Overtaken athletes who remain within the draft zone of the passing athlete for more than 25 seconds will be given a drafting violation; (3:00 Minutes Time Penalty)
- Athletes must ride single file on the far-right side of the bike course road except when passing another athlete (or for reasons of safety). Side-by-side riding is not permitted and may result in a drafting or blocking violation; (3:00 Minutes Time Penalty), or 60 Seconds Time Penalty).
- The overtaking athlete may not back out of a draft zone after entering into it. Once an overtaking athlete enters the draft zone of another athlete, a pass must be completed; (3:00 Minute Time Penalty) A pass occurs when the overtaking athlete's front wheel passes the leading edge of the athlete being overtaken.
- Overtaking athletes may pass on the left for up to 25 seconds, but must move back to the right side of the road, after passing. Failure to complete a pass within 25 seconds will result in a drafting violation. Athletes may not back out of the draft zone once it is entered (drafting violation).
- Overtaken athletes must immediately fall back six bike lengths before attempting to regain the lead from a front running bike. Immediately re-passing prior to falling back six bike lengths will result in an overtaken violation.
- Overtaken athletes who remain in the draft zone for more than 25 seconds, or who do not make constant rear progress out of the drafting zone, will be given a drafting violation.

BIKE COURSE - POSITION RULES

- Athletes must ride single file on the far-right side of the road except when passing another rider, or for reasons of safety. Side-by-side riding is not allowed and will result in a position violation.
- Athletes who impede the forward progress of other athletes will be given a blocking violation.
- Athletes committing rule violations will be notified “on the spot” by a race referee. Please note: if a safety hazard prevents a referee from notifying an athlete “on the spot” (e.g., heavy traffic, narrow roads, congested area, etc.) the referee will notify the penalized athlete when the safety hazard no longer exists.

Do not attempt to discuss the penalty with the race referee.

THE RACE REFEREE WILL:

- Call out your race number and notify you that you have received either a BLUE CARD for drafting or intentional littering, or a YELLOW CARD for any other penalty. The race referee will show you the corresponding colored card.
- Instruct you to report to the next penalty box (PB) on the course. There will be at least two PBs on the course.
THE EXACT LOCATION OF THE PBs WILL BE STATED AT THE PRE-RACE MEETING.

• THE ATHLETE WILL:

- Report to the next PB and tell the PB Official whether you were shown a BLUE CARD or a YELLOW CARD. If you fail to report to the next PB, you will be disqualified.
- Have race numbers marked by the PT Official with a “/”.
- Register, via the sign-in sheet.
- Resume the race after serving a 60-second time penalty for all nondrafting violations (YELLOW CARD).
- Remain in the PB for the time indicated in the table below, for each drafting and intentional littering violation (BLUE CARD).
- Be disqualified if you receive three BLUE CARD penalties. An athlete may finish the race if he or she has been issued a red card disqualification, unless otherwise instructed by the race referee.
- Be disqualified for not reporting to the PB.

The Penalty Box will be located approximately 300 meters before the bike dismount

ON COURSE BIKE TECHNICAL SUPPORT

Roving tech vehicles from our partners are present on the course, but do not expect them to be immediately available. They do their best, but it is difficult to service everyone. You are expected to be self-sufficient regarding basic mechanical problems. These roving tech vehicles are servicing all athletes, so if they are dispatched to your location and come across another athlete who needs assistance while in route, they will stop and help the other athletes on their way.

Professional Athlete Identification

Professional (PRO) athletes will be identified by their yellow race number (BIB), stickers (yellow) and must wear their bib number throughout the entire bike and run courses.

All participants are expected to remain aware of their surroundings and to comply with the IRONMAN Competition Rules at all times.

ANYTHING IS POSSIBLE™

Athletes and Content Creators!

The presence of unaccredited photographers, videographers, drones, and any unauthorized vehicles - including skateboards, scooters, unicycles, bicycles, motorcycles, roller skates, and cars - on the course is **STRICTLY PROHIBITED**.

This measure reinforces our commitment to providing safety and a unique experience for all registered participants.

Any athlete caught by race officials being accompanied, filmed, or photographed by non-accredited professionals, using any type of vehicle and at any point on or near the course, will be immediately **penalized with a yellow card** and may also **be disqualified** from the event in the case of a repeated infraction.

BIKE & BAGS CHECK-OUT

31

Sunday

Transition Area | Clube 12 de Agosto
From 06:30 PM to 01:00 AM

Only athletes with the wristbands on may enter the Transition Area, companions will not be permitted;

You must have your timing chip on in order to enter and claim your bike and gear.

If you cannot personally claim your bike and gear bag, a family member or friend may do so on your behalf. They will need to present the Bike Check-Out ticket, which is included in your race packet, as well as your timing chip.

Please note that your race timing chip is being loaned to you. When you pick up your race number and timing chip, you are responsible for returning the chip after the race.

Failure to return the chip will result in a replacement fee of 350 Brazilian Reais, which will be charged before bike check-out.

AWARDS CEREMONY & 2026 IRONMAN WORLD CHAMPIONSHIP SLOT ALLOCATION/ROLLODOWN CEREMONY

01

Monday

Recovery Zone | Clube 12 de Agosto
09:30 AM

Trophies will be awarded to the Top 5 Professional Athletes (male and female), as well as to the Top 5 finishers (male and female) in each age group and TriClubs category.

Each event will be allocated a specific number of Age Group World Championship qualification slots, with an equal number of slots assigned to men and women.

Each male and female age group will receive one automatic qualifying slot for the World Championship, awarded to the category winner, with roll-down to the second and third place finishers if the slot is not accepted by the first or second place athlete. This slot is referred to as an "Automatic Qualifying Slot." All remaining slots will be allocated to the Performance Pool ("Performance Pool Slots").

Automatic Qualifiers must claim their slot during the Awards Ceremony, immediately after receiving their trophy. If the Automatic Qualifying Slot for a specific age group is not accepted by any of the top three finishers, the slot will roll down into the Performance Pool and be offered to the most competitive athletes of the same gender at that event. **Performance Pool Slots will be offered and allocated immediately following the Awards Ceremony.**

Important: If you plan to accept a qualification slot, you must attend the full Awards and Roll-Down Ceremony, which begins at 09:30 AM on Monday, June 1st. Qualification slots may be claimed in person only and exclusively during the ceremony.

October, 10th | Kona, Hawaii

ESTACIONAMENTO

As we are in a residential area, vehicles are parked on public roads. There is enough area for this, however, with some restrictions:

Avenida dos Búzios will have a shared lane for cars and athletes. The direction closest to the beach will be two-way for cars, while the opposite lane will be used for athletes. For this reason, parking of cars will be prohibited on Avenida dos Buzios from Hotel Il Campanário to P12. We suggest park your vehicles on other streets. Public circulation on the avenue will be better on foot;

Other streets that will have restricted access in this region are Avenida das Raias and Avenida dos Dourados. In both, the track will also be shared between athletes and cars.

We also ask respect the exit from the garages, for local residents.

We recommend athletes and family/friends use Waze App, which will be our partner during the 2026 season, indicating the best route and alternative routes to leave the neighborhood.
