AUGUST 10th

ATHLETE'S GUIDE

WELCOME!

Hello, triathletes!

We're kicking off the second half of the year with the 9th edition of the Itaú BBA IRONMAN 70.3 Rio de Janeiro — and there's no shortage of reasons to celebrate.

According to a global survey conducted with athletes from over 170 races in the IRONMAN series, in 2024 our event was ranked the second most recommended IRONMAN 70.3 race in the world, the third-best race in Latin America, and reached an impressive 95.40% overall satisfaction rate, placing us in the Global Top 5 in this category.

This year, the event also stands out for its international appeal: we'll welcome 1,800 athletes from 33 countries, many of whom are visiting Brazil for the first time to race and experience our "Marvelous City", one of the world's top tourist destinations.

On top of that, the course offers a truly unique experience, passing through some of Rio de Janeiro's most iconic landmarks, including the famous Copacabana beachfront, Sugarloaf Mountain, and other breathtaking sights that make this race even more unforgettable.

We wish you an amazing race — may we once again be the stage for so many memorable stories.

If you start to feel unwell at any point during race day, we urge you to seek help rather than continue.

DO NOT BE AFRAID TO ASK FOR HELP

If at any time during the race you experience chest pain or discomfort, shortness of breath, lightheadedness (dizziness), numbness around the mouth or in hands, difficulty concentrating, or stop sweating please stop immediately and seek medical attention.

You will not receive a penalty or be disqualified for receiving a medical evaluation or for having someone help you in getting medical assistance. A medical evaluation does not constitute outside assistance.

During the swim: raise and wave your hand, which will alert the water safety team that you need help. If able to, you can also verbalize you are in need of help by yelling “help.” You can also grab onto a kayak, paddle board or nearby boat. You will not be disqualified for grabbing onto any of these safety items during the race. You must not make forward progress in the water while grabbing onto a kayak, paddle board or nearby boat. Making forward progress will result in a Disqualification (DQ).

During the bike: If you are at an aid station, let someone know you are in need of medical help. If you are not at or near an aid station – STOP – let someone know you need medical help. Anyone can help - another athlete, a volunteer, a staff vehicle, event support vehicle or event moto out on course; even a spectator. Have them alert the nearest aid station or staff member that you need medical assistance. *Make sure you provide your bib number to initiate your care.*

During the run: same as the bike. If you are at an aid station, let someone know you are in need of medical help. If you are not at or near an aid station – STOP – let someone know you need medical help. Anyone can help - another athlete, a volunteer, a staff vehicle, event support vehicle or event moto out on course; even a spectator. Have them alert the nearest aid station or staff member that you need medical assistance. *Make sure you provide your bib number to initiate your care.*

Helping another athlete: if a fellow athlete needs help, please use the same steps listed above to get the athlete medical assistance. *You will not be disqualified or receive a penalty for assisting a fellow athlete in medical need.* On the bike and run course, make sure to provide the bib number of the athlete in need of help.

After you have finished the race, please do not leave the post-race area until you are able to drink without vomiting, stand without dizziness and feel okay. If you are not feeling well, please come to the event medical tent to be evaluated by the medical team before leaving the recovery area.
